

A close-up photograph of a person's hands typing on a laptop keyboard. The scene is bathed in warm, golden light, likely from a window in the background, creating a soft, bokeh effect. The text 'CASE STUDY' is overlaid in the upper left, and 'ONLINE COACH' is centered in large, bold letters.

CASE STUDY

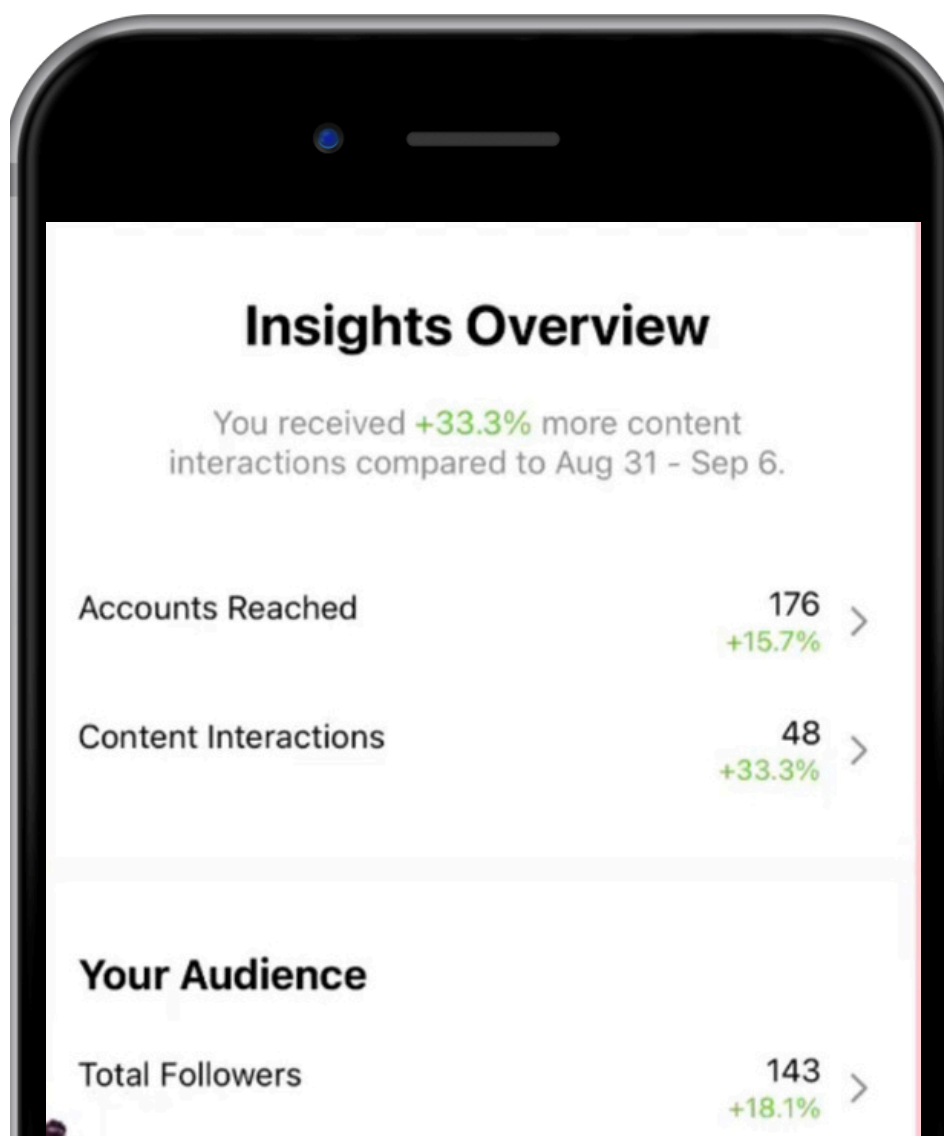

ONLINE COACH

.

Our client came to us looking for help with building their social media presence and getting more people to sign up for an upcoming online training.

She had been working with clients in -person and had corporate experience but she was looking to build her authority as a coach online and to drive traffic to her webinar.

We got to work straight away!

👍 We used our 3-step content conversion strategy to create targeted content!! Along with our social media management & engagement.

Before working with us client only had a small social media presence. After working with us she had increased Instagram engagement by 24x, had 42 signed up for her free webinar and 1 signed client.

IT WAS A HIT!

We helped her attract and build her social platforms with her ideal client's.
